Usually, the Primary Corporate Member will be in a senior position within the company or business and can have up to two nominated company employees.

The Membership fee is dependant upon the number of representatives but typically will be £300 per annum per member. It includes insurance cover for events held under the Rotary banner and entitles members to the full worldwide welcome of Rotary.

Charitable status applies for fees and donations.

The frequency of Rotary meetings varies between clubs, as does the meeting time, duration and format.
