## PEOPLE OF ACTION

Our club is a proud part of this community and of Rotary International. Rotary is a global network of over 32,000 Rotary clubs with more than 1.4 million members in over 200 countries who believe that great things happen when dedicated minds come together.

We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

Our club offers opportunities for our members — and those interested in making a difference — to get involved. Through meetings, social events and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national and global experts to exchange ideas about potential solutions and to draw up action plans to respond.

Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

## MAKING A DIFFERENCE

Solving real problems takes real effort, commitment and vision. Members work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place. We also care about our environment and work in many different ways on local environmental projects.

## GET INVOLVED

Becoming a member enables you to meet your community's leaders and to make an impact both here and around the world. We invite you to visit our club and find out more about us and the opportunities we offer to get involved.

We are modern Rotary with members aged 18 upwards, enjoying social and other varieties of activities.

We support local communities and international projects, including Lend with Care, Shelter Box and Disaster Aid UK and Ireland.

Our members have found that it's a truly rewarding experience.

*My experience of Rotary has been truly valuable. I've made great friends and had great fun helping the local and indeed the international community - really heart warming.*
